Tŷ Halen is our unique, bespoke Saltcote and Visitor Centre, where we make Halen Môn. It is a first for Anglesey, Wales and the UK, and lies on the banks of the Menai Strait next door to Anglesey Sea Zoo.

Recommended for anyone interested in salt's place in our history, culture, food and in what makes Halen Môn PDO the world's finest seasoning. Led by a trained guide, the tour includes a tutored salt tasting and lasts about 50 minutes.

As well as being a home for our hand-harvesting process, our Saltcote has a contemporary, designed gift shop and plenty of parking. Book online or give us a call. Rob and our team look forward to welcoming you.

*"I never knew salt could be so interesting!
Very nice shop too."*
